Employees

More than 2,500 full-time professional and administrative salaried staff and more than 5,500 hourly trades people. Employees trained through the *PCL College of Construction* campus or private learning spaces in each of our locations.

Markets

Buildings, heavy industrial and civil. Includes office towers, residential condominiums, retail outlets, hotels/resorts, educational/health care facilities, casinos, sport/entertainment complexes, bridges, airports, high tech facilities, water treatment facilities, petrochemical/power/oil and gas plants, and major plant maintenance shutdowns.

Portfolio

More than 500 projects at any one time ranging in value from \$20,000 to more than \$2 billion.

Includes the Lester B. Pearson International Airport Redevelopment (Toronto, Ontario), Hard Rock Cafes (Minneapolis, Minnesota and Toronto, Ontario), UE-1 Upgrader Oil Sands Expansion (Fort McMurray, Alberta) and Lee Roy Selmon Crosstown Expressway (Tampa, Florida).

Construction Volume

Approximately \$5 billion (CDN) annually.

Safety

Our goal is zero incidents. Lost time frequency rate is several times better than the industry average.

Awards and Rankings

PCL is the largest general contracting organization in Canada and the 10th largest in the United States.

We are ranked #42 on *Fortune's Top Companies to Work For* list and #5 on the *50 Best Companies to Work for in Canada* list. Also named one of the *Top 100 Employers in Canada* and a Platinum Member of Canada's *Best Managed Companies* program.

Ownership

100% employee-owned.
